We only use free range eggs and we source our meat locally. We use as many seasonal products as possible and pretty much everything is made from scratch in our kitchens.

Traces of nuts may be found in our kitchens, puddings will contain calories and all gratuities go directly to all the people who have looked after you.

We are allergy aware, if you have any dietary requirements, please ask a member of our team who will be happy to help.

Enjoy!

We use Extract Coffee, an award winning Cotswold coffee roaster producing 100% hand roasted Arabica, ethically sourced, locally crafted on a vintage cast iron roaster they call Betty!

We have fantastic baristas who understand the crop to cup coffee journey and a local coffee roaster supporting everyone involved in its creation! With this in mind we regard our coffee as the cotswold's best tasting cup.

Our espresso coffee is a full bodied 100% Arabica blend of beans sourced from Brazil & El Salvador from specialty coffee growers. We do not use robusta.

Soya milk is available on request.
